

New Park Village Estate Re-development

Meet the new NPV Re-development Project Team!

Dear Resident,

Following two recent appointments, the City of Wolverhampton Council (CWC) is happy to announce its **new NPV Project Team** to help manage the New Park Village Estate re-development through to its completion.

James White has been appointed to the post of **Housing Estate Renewal Officer**. He will act as the first point of contact for residents on the estate should they have any questions about anything related to the re-development. James has extensive tenant/customer liaison experience and is thrilled about being part of the NPV project. He is due to start in the role by the end of this month.

Hanah Hyman was successful in her application to be our new **Housing Development Project Support Apprentice**. She is really excited about joining the team and will provide additional support to the Project Manager. Like James, Hanah should be in post by the end of May.

James and Hanah will be joining the NPV Project Team alongside **Sangita Kular**, appointed as **Service Manager for Regeneration** in February 2023 and **Chris Elgerton**, the **Housing Development Project Manager**.

With the **NPV Project Team** now in place, we want to build on the work done so far and continue building relationships and supporting residents through this major re-development.

Once the demolition and new housing development begins, it is inevitable that the project will cause disruption across the estate, but as a team we are committed to keeping this to a minimum for residents as much as possible.

In order to ensure the re-development proposals meet the needs and requirements of residents on Ellerton Walk, over the past six weeks we have been completing Housing Needs surveys with residents.

If you have not already done so, please complete a survey form and return it to the NPV TMC Office as soon as possible. It is really important that we have this information.

A new NPV re-development resident newsletter will be coming out in the Summer once we have further information to share about the proposals.

In the meantime, if you have any questions at all regarding the re-development, please email our inbox at

npvregen@wolverhampton.gov.uk or contact the NPV TMC on **01902 552670** or at **ellertonhouse@npv.org.uk**.
